

ELOISA MARIE LLENA

General Mariano Alavrez Cavite, 4117

09508448630 | lленаelolisa@gmail.com

OBJECTIVES

A Bachelor of Science in Information Technology (BSIT) undergraduate with foundational knowledge in Agile project management using the Scrum framework, quality assurance, and UI/UX design. I am seeking an IT internship where I can apply my academic skills, gain hands-on industry experience, and contribute effectively to organizational goals while further developing my technical and problem-solving abilities.

SKILLS

Technical Skills

- MS Office (Word, Excel, PowerPoint) – Documentation, reporting, and presentations
- Tools: Jira, Trello, Figma, Click Up – Project tracking, task management, and collaboration
- UI/UX Design
- HTML
- CSS
- Workflow Mapping – Visualizing application processes and operational flow

UI/UX and QA Skills

- Manual testing and basic test case documentation
- Usability evaluation and interface consistency checking

Project Management Skills

- Agile Methodology – Applying Agile principles to manage projects.
- Scrum Framework – Leading Scrum events and sprints.
- Task & Timeline Management – Planning, assigning, and tracking tasks to meet deadlines.
- Stakeholder Management – Coordinating with clients, team members, and stakeholders.
- Implementation Plan Development – Designing step-by-step action plans to execute project objectives.
- Risk Management – Identifying potential risks and defining mitigation strategies.

Soft Skills

- Attention to detail
- Team Collaboration
- Communication
- Problem-solving
- Time Management
- Adaptability
- Creativity & Innovation

- Willingness to learn

PROJECTS

Diversitea POS | Project Manager, Quality Assurance

- Led and coordinated a team of 6 members, assigning tasks and monitoring progress to maintain productivity and workflow efficiency.
- Conducted quality assurance testing to ensure reliable system functionality and minimize operational errors.
- Designed intuitive UI/UX to improve order processing and ease of use for staff.

MikMik E-Commerce Website | Project Manager, Quality Assurance

- Managed the project timeline to ensure on-time delivery, reducing overall development time by improving team coordination
- Performed QA testing to ensure smooth navigation, usability, and error-free checkout processing.
- Cooperated with the team to refine UI design and enhance user experience.
- Ensured project milestones met the schedule while maintaining high-quality standards.

E-Kolek Web and Mobile Application | Project Manager, Scrum Master, Quality Assurance

- Supervised the project timeline and directed the team to deliver the website and mobile application on schedule, improving project efficiency and client satisfaction.
- Facilitated Scrum events and sprint planning, helping reduce workflow bottlenecks and maintain steady progress.
- Collaborated with the client to refine requirements and provided suggestions for features like tracking waste turnover.
- Handled QA testing to ensure platform reliability, functionality, and seamless user experience.
- Supervised the project timeline and guided the team to deliver the website and mobile application on schedule, improving project efficiency and client satisfaction.

EDUCATION

San Gabriel II Elementary School (2010-2016)

- Graduated with Honor

General Mariano Alvarez Technical High School (2016-2020)

- Graduated with Honor

General Mariano Alvarez Technical High School (2020-2022)

- Science, Technology, Engineering, and Mathematics
- Graduated with High Honor

Polytechnic University of The Philippines (On-going)

- Bachelor of Science in Information Technology

CERTIFICATION AND VOLUNTEERING

- Volunteer, DevCon Kids Laguna Chapter – Hour of Code 2024 | December 2024
- Devcon Laguna Chapter - The Fusion of Ai and Blockchain: Unleashing New Frontiers in Technology | June 2024
- Devcon Laguna Chapter - Unleashing the Power of Technology: The Path for A Brighter Future | May 2023
- Google Developer Student Clubs - Polytechnic University of The Philippines - Wasd 2023: Breaking into The Game Industry | April 2023
- Pup San Pedro Campus – Strategic Innovation Combining Project Management Excellence with Creative System | June 2024
- Pup San Pedro Campus – Beyond Data: The Strategic Role of Database in Modern Business with SDG 9: Industry, Innovation, and Infrastructure | June 2024
- Pup San Pedro Campus – Accoutering Web Developer Prowess | July 2024
